### **PUBLIC NOTICE**

#### **Cease All Illegal Operations and Structural Extensions**

It has come to the Ministry of Local Government's attention that individuals within our town and city boundaries are conducting illegal business activities from residential areas without necessary statutory approvals. Additionally, there are cases of illegal structural extensions being carried out without proper authorisation. These actions are in violation of statutory and regulatory requirements, causing significant issues for neighbours and the community's well-being and harmony.

We urge all ratepayers and property owners within the town and city boundaries to immediately cease all illegal operations and structural extensions. It is our collective responsibility to uphold the laws and regulations governing our community, ensuring a safe and harmonious living environment for all.

Legal action will be taken against individuals found breaching the statutory and regulatory requirements. The Municipal Councils and relevant authorities are committed to investigating reported cases and enforcing appropriate measures. We encourage residents to be vigilant and report any suspicious or unlawful activities observed within our community to your Municipal Council office or email [LGhelpdesk@mlg.gov.fj](mailto:LGhelpdesk@mlg.gov.fj).
